Since 1988, Fodor's Travel has been awarding the *Fodor's Choice* distinction to only the very best hotels, restaurants and attractions around the world. Every year, Fodor's writers experience, examine and evaluate thousands of hotels, restaurants and attractions in their travels across the globe. While every business included in a Fodor's guide is deemed worth a traveler's time, only fifteen percent of those selections are awarded the very highest, *Fodor's Choice* designation by Fodor's editors.

"From hidden-away restaurants to can't-miss museums, *Fodor's Choice* selections recognize the top sights, properties, and experiences our editors and updaters have found in their travels," says Fodor's publisher Tim Jarrell. "These places are the best of the best, providing a remarkable experience in their price range or category."

As a 2010 *Fodor's Choice* recipient W Montreal receives special recognition in the current Fodor's guidebook to this region and on Fodors.com.

"We are proud to have received the Fodor's Choice award and will continue to provide the best experience possible to our guests" comments Jean-Francois Pouliot, General Manager at W Montreal Hotel.
